DIRECTIONS: For heavy industrial stains and grime-grease, oils and some dyes. For all washable fabrics and most colors: cotton, polyester, acrylics, linen, triacetates, acetate, and dynel. Especially effective on denims, jeans and industrial garments. For colored materials and synthetics, pre-test on a corner. **DIRECTIONS FOR USE** For pre-wash spot removing: Rinse stain with cool water as soon as possible. Dilute product with one to three parts water. Pour product on the spot and soak or rub in. Repeat if necessary. Follow by usual laundering. For prolonged contact, wear rubber gloves. Rinse well after washing.

STORAGE and HANDLING: Keep container tightly capped with label intact. Do not reuse containers. Can cause eye irritation. Do not get in eyes. Harmful if swallowed. First Aid: Eye contact-Remove contact lenses. Flood eyes with water for at least 15 minutes holding eyelids apart. Ingestion-If swallowed, drink large amounts of water. Skin Contact-Wear gloves to prevent irritation. If irritation persists, seek medical advice.

Keep Out of Reach of Children. Industrial or Institutional Use Only.
