| Specific gravity: 1.09 | |
| Color: Straw | |
| pH: <1.5 | |
| Dilution: Ready-to-use | |

DIRECTIONS: For daily cleaning of bathtubs, wash basins, shower stalls, and drinking fountains: dilute cleaner with 5 parts tap water. Rinse thoroughly with water. For daily cleaning of Tile and Porcelain: dilute cleaner with 5 parts tap water. After cleaning, rinse with water or go over with wet sponge or cloth. **TOILET BOWL CLEANING & DEODORIZING:** To remove calcium and rust incrustation, discolorations and other deposits, flush toilet and force water over the trap using a swab. Swab bowl, including the flush ring and rinse toilet bowl by flushing. **FOR CLEANING & DEODORIZING URINALS:** Flush urinal, then apply cleaner to swab and rub away discoloration and stains. Pour one or two ounces into urinal, apply cleaner and allow to stand several minutes to remove odor in trap. **IMPORTANT - DO NOT USE ON MARBLE OR TERRAZZO.**

STORAGE and HANDLING: Keep container tightly capped with label intact. Do not reuse containers. Can cause eye irritation. Do not get in eyes. Harmful if swallowed. First Aid: Eye contact-Remove contact lenses. Flood eyes with water for at least 15 minutes holding eyelids apart. Ingestion-If swallowed, drink large amounts of water. Skin Contact-Wear gloves to prevent irritation. If irritation persists, seek medical advice.
