**DIRECTIONS:** Cleans and deodorizes toilet bowls, urinals and all porcelain surfaces. FOR DAILY CLEANING OF bathtubs, wash basins, shower stalls and drinking fountains, enamel, painted, lacquered and varnished surfaces: Dilute with 3 parts water. Apply with soft cloth, swab or brush. Immediately rinse thoroughly with water. Cleaner should not remain on fixture or surface more than 2 minutes. FOR DAILY CLEANING OF COFFEE URNS, STERILIZERS, COUNTER TOPS AND REFRIGERATORS: DILUTE with 3 parts water and apply with soft cloth or brush. Immediately rinse thoroughly. PORCELAIN ENAMEL: Dilute with 2 parts water. Use only if surface is not cracked or chipped. Apply with soft cloth or swab. Immediately flush with clear, cold water. TO CLEAN TOILET BOWLS: Remove as much water as possible from bowl. Apply to side of bowl. Thoroughly mop entire surface. Rinse and flush. URINALS: Wet mop. Apply and swab all surfaces including flushing ring. Flush, remove strainer and swab inside drain. Toilet Tanks: Clean regularly with cleaner or mop.

**STORAGE and HANDLING:** Keep container tightly capped with label intact. Do not reuse containers. Can cause eye irritation. Do not get in eyes. Harmful if swallowed. First Aid: Eye contact-Remove contact lenses. Flood eyes with water for at least 15 minutes holding eyelids apart. Ingestion-If swallowed, drink large amounts of water. Skin Contact-Wear gloves to prevent irritation. If irritation persists, seek medical advice.

Keep Out of Reach of Children. Industrial or Institutional Use Only.
