

USDA – Alkaline Cleaners

RENDER CLEAN

Degreaser for the Worst Build-ups

- USDA code A1
- Degreaser specifically formulated for the worst build-up possible in rendering plants
- Brown liquid, moderate foaming, very strong caustic, super-concentrate

PHYSICAL PROPERTIES	PACKAGING
Appearance: Liquid, clear to yellow	S977037-55 – 55 gallon drum
Specific gravity: 1.27	
Color: Clear to yellow	
pH: >13.5 @ 23°C	
Odor: Bland	
Dilution: 1:10	

DIRECTIONS: EQUIPMENT: Dilute 1 part Render Clean with 30 parts water depending on soil conditions. Spray on equipment. Rinse thoroughly and follow with sanitizer, as necessary. **STORAGE AND DISPOSAL:** Store away from heat and strong oxidizers. Store in dry area. **FIRE:** Product is not combustible. **SPILL:** Wear personal, protective equipment. Contain spill in order to prevent contamination of sewage system or waterways. Remove to marked container for reclamation or disposal. Neutralize remaining traces with any dilute inorganic acid. **DISPOSAL:** Any unused product residue, flush waters and container should be disposed of in accordance with local, state and federal regulations. **DO NOT DUMP** product or containers.

STORAGE and HANDLING: Keep container tightly capped with label intact. Do not reuse containers. Can cause eye irritation. Do not get in eyes. Harmful if swallowed. First Aid: Eye contact-Remove contact lenses. Flood eyes with water for at least 15 minutes holding eyelids apart. Ingestion-If swallowed, drink large amounts of water. Skin Contact-Wear gloves to prevent irritation. If irritation persists, seek medical advice.

Keep Out of Reach of Children. Industrial or Institutional Use Only.
